# Outreach Apps

[1Cross](#) (free) We are bringing together the Gospel presentation in many different languages to the palm of your hand. Our vision is to provide you with a resource that can help you take the Good News of Jesus Christ unto all the nations. While this should not be used as the primary source of sharing your faith, we hope that it is a great tool for you to use to clearly present the Gospel

[5Fish](#) (free) provides access to 10,000 recordings of Christian messages in 6,000 languages and dialects. The app allows you to search for your own language or a language spoken near you. Download recorded messages for free, play, and share them with friends. Messages include Bible stories, basic Bible teaching, scripture, Christian songs, testimonies, and other materials. These recordings have been produced by Global Recordings Network (GRN) and other Christian ministries. The content available on 5Fish is in MP3 audio format. Some content is audio-visual, displaying Bible pictures during playback. Links to YouTube videos are provided where available. ([mobile web version](#))

[C2C Story](#) (free) is a visual aid & training tool for presenting the Gospel story from Creation to Christ's death & resurrection. Available in several languages (text and audio), it is designed to be used while verbally sharing the story. More information can be found on the website: <http://C2CStory.com>

[Create International](#) (free) Create International is a platform for viewing and downloading videos and animations that share the gospel message in hundreds of different languages. (27.6MB)

[Discover App](#) (free) In thirty studies this app enables you to discover the Holy Bible for yourself. Start with creation, explore the message of the prophets and go on to the life and teachings of Jesus Christ. Available in English, Arabic, Somali, Dari and Bahasa Indonesia.

[Every Student](#) (free) The Every Student app helps you answer real questions about life and faith from anyone God brings your way and shows them reasons to begin a relationship with God. Contains the best from the popular site, EveryStudent.com and its outstanding growth series. (11 MB) [Arabic / عربي](#) [Spanish / Espanol](#)

[First Steps](#) (free) First Steps is foundational follow up material to help ground new Christians in their faith, and to take their first steps in their relationship with God. Allows you to store answers to questions on your phone. Now in 20+ languages. (2.1MB)

[God Tools](#) (free) This multilingual (60 languages) app equips you to be able to easily and clearly share your faith with visually engaging presentations. When God gives you opportunities for spiritual conversations we want you to feel prepared and confident as you reach out to others. GodTools includes the tried and true presentations of these messages:

1. Would You Like to Know God Personally? (evangelism; target audience: general/college student)
2. The Four Spiritual Laws (evangelism; target audience: general)
3. THE FOUR (a shortened version of the Four Spiritual Laws using symbols)
4. Honor Restored
5. Satisfied? (discipleship; target audience: general)

[Gospel Tools Thailand](#) Gospel Tools Thailand is an incredibly useful resource for sharing the Gospel in the Thai context. Included in the app are...

- A Gospel presentation, "Knowing God," in text, booklet, and animated form,
- The "Creation to Christ" video series,
- Additional Gospel animations,
- Conversation starters,
- Bible studies,
- "Find a church anywhere in Thailand tool,"
- The Jesus Film,
- And much more.

[Got Questions](#) (free) This application has over 5,100 of our most frequently asked questions about the Bible organized by topic, with a built-in search function, the ability to select favorite articles for easier future access, the ability to easily download new/updated articles, and the option to ask us a question if the answer to your question is not already available in the app.

[I Am Second](#) (free) Being Second is a lifestyle. Download the new I Am Second App and find out what it means to put yourself Second. Featuring raw and hopeful stories from all walks of life - from celebrities to the neighbor next door. Join conversations happening all over the world. Find events near you. Meet the challenge to bring hope into the world. Live Second! (49.9 MB)

[Jesus Film Project](#) (free) puts the entire Jesus Film library, including the Magdalena film and other media, in all available languages on your mobile device. Most videos are available both in full and as brief clips (typically 2-5 minutes), which are ideal for sharing about a particular story or topic in the midst of a conversation. You can view the films via streaming video or download them for offline use.

[Kolo World](#) (free) Brings the Word of God alive in audio and video in 1000 languages! Online or offline, hear, see and read the word of God in your own heart language. (6.06MB)

[Kutsal Kitap'in Fihristi](#) A Turkish “Fihrist” (index) of topics and subtopics mapped to relevant Bible verses. When a person in Turkey learns religion, they don’t read a book – not even a holy book – from front to back. Rather, religion is taught more through topics and subtopics. Since the preferred method of learning in Turkey is audio, the Fihrist brings up audio recordings of the Bible verses being read in Turkish. (3.78MB)

[Life in 6 Words](#) (free) Based on the popular YouTube video Life in 6 Words, this interactive, engaging, faith-sharing tool provides you with a bridge for naturally initiating spiritual conversations. Use it to walk someone through a clear, visually compelling explanation of the gospel and invite them to put their trust in Jesus. The app is now fully available in Spanish with its own Life in 6 Words video en Español. Simply type “Vida en 6 Palabras” in Google Play to download the app. (8.43MB)

[Love Europe](#) (free) This app is helping refugees, immigrants and newcomers in Europe to find the information they need most. If you're looking for helpful locations, events especially for refugees or other information, this is the app you need. You can also help all the other users by adding missing information. Do you miss locations in the app, just add them. Is a local event missing, just send the information via the app so other people also know where to go! (3.7 MB)

[MissionHub](#) (free) As you approach different people in your life, it can be hard to know how they view or feel about God. It can be even harder to trust God with your next conversation with them. MissionHub is a simple tool to help you take the next step with those you care about. Get organized- MissionHub supports everything you need to be intentional to help others spiritually. Keep contacts, notes, goals and responses all in one place. But MissionHub is more than tasks, it is about the people in your life.

Build meaningful relationships- MissionHub gives you practical steps to develop meaningful relationships with people in your life. No matter how someone views or feels about God, create space to see what's possible.

Watch a story unfold- Make a quick note and securely record any detail you don't want to forget. Stay connected to what matters for each person and each story, with all your notes in one place. Over time, you will see a rich history unfold with those you care about.

به اپلیکیشن رسمی شبکه محبت خوش آمدید [Mohabat TV](#) (free, Farsi) شما از طریق این رسانه به منابع وسیعی که شبکه محبت برای شما تهیه کرده است دسترسی خواهید یافت برای اطلاعات بیشتر در مورد این شبکه به سایت زیر مراجعه فرمایید [www.mohabat.tv](http://www.mohabat.tv) (19.5 MB)

[Next Steps](#) (free) This 30-day guide will teach you how to talk to God (pray) and read His Word (Bible). You can even connect with a caring Christian who will answer your questions and pray with you. Let Next Steps guide you through a powerful series of life lessons and help you grow in your journey with Jesus Christ today. (51.9 MB)

[Perspectives Card](#) (free) Imagine a deck of cards which can guide you through an enjoyable and deeply revealing spiritual conversation. Perspective Cards allows people to share what they believe, explore the gospel of Jesus Christ, and take the next step on their spiritual journey in an environment where they feel safe. This makes spiritual conversations and evangelism both enjoyable and authentic. (60.3MB)

[Questions in a Box](#) (free) The Questions In A Box app provides you with hundreds of great conversation starting questions using a fun and intuitive interface. Use these conversation starters at restaurants with friends, around the dinner table with family, or to get to know neighbors and co-workers.

[Radio Asdikaa Al Maghribe](#) Radio Asdikaa Al Maghribe (North African Friends) is a Christian radio with spiritual subjects, Christian Music, Testimonies. Come and listen to get spiritual help. (4.1MB)

[Reading App Builder](#) (free) Reading App Builder helps you build customized apps for Android and iOS smartphones and tablets. You can use it to make apps containing picture books, health and community development materials, song books, illustrated stories and libraries of easy-to-read books for new readers – each with the option of synchronizing text and audio, highlighting each phrase as it is read. The app menus, icon, splash screen and colors can all be customized for your language and culture.

[Scripture App Builder](#) (free) Scripture App Builder helps you to build customized Scripture apps for Android and iOS smartphones and tablets. You specify the Scripture files to use, the app name, the fonts, the colors, the about box information, the audio and the icons. Scripture App Builder will package everything together and build the customized app for you. You can then install it on your phone, send it to others by Bluetooth, share it on microSD memory cards and publish it to app stores on the Internet.

[Share Your Faith](#) (free) The Share Your Faith App helps you easily explain and share the most important concepts from the bible. This makes it simple for you to walk someone through the red zone and bring them over to God. Available in 16 languages. (77.8MB)

[Soularium](#) (free) Because images connect deeply with our emotions and experiences, they enable us to engage in meaningful conversations about life & God. Soularium provides 50 original photographic images and 5 simple questions – allowing you to enter and explore the lives of people around you. (57.1MB)

[The Big Story](#) (free) The Big Story Gospel Presentation app, created by InterVarsity Christian Fellowship/USA, is a creative way to share the gospel right from your smartphone or tablet. Based on material from “True Story” by James Choung, this free app helps you illustrate the main points of the gospel message by drawing four “worlds” on your screen. Suggested dialogue and Scripture references are included for each world to help you explain the gospel as you draw. (15.8MB)

[The GNPI App](#) (free) Are you looking for effective resources to help Christian workers tell the Gospel story? Download our ministry app to see how the Good News is being shared throughout the world. Contains The Global Gospel media in 26 languages (under “Tools”) (32.2 MB)

[The Parting Gift](#) (free) “The Parting Gift” is a 6 minute long short film that illustrates several key concepts in Christianity. With “The Parting Gift” app you can easily use the film to explain Christianity to others! The film is embedded within the app itself so there’s no need to connect to the internet to share the film, just open it up and go! Statistics on how you use the app are saved so you can keep track of your personal results. These statistics are then uploaded to our online database so we can monitor the effectiveness of the film and app for explaining the message of Jesus. Key global statistics are then shared back to the app so you can see how you contribute to the big picture! (271.5MB)

[The Story](#) (free) The Story app provides a beautiful, powerful, yet simple explanation of the Gospel of Jesus Christ using 4 major themes found in the Bible: Creation. The Fall. The Rescue. The Restoration. The Christian worldview is clearly communicated to those who are interested in what Christians believe and also provides an understanding of how to become a Christian through faith in the Gospel. The video is translated into 21 languages and able to be downloaded from the app. (42.9MB)

[The Story of Jesus App](#) (free) Cartoon app. This is the true story of Jesus Christ. He was a man, but he was much more than a man. Of course he was powerful. Even the wind and the sea obeyed him. But calming the sea was not the most wonderful thing he did. Download this App and discover for yourself. Available in eight languages. (50.8 MB)

[TWR360](#) (free) TWR presents its digital media app: TWR360. Free biblical media streaming on demand in multiple languages. Free music, video, radio, bible; anytime, anywhere, in your heart language. (14.6 MB)

[Unreached Data Gathering](#) (free) Help advance the gospel of Jesus Christ! Join the Joshua Project in their mission to document the world's least-reached ethnic people groups. The Unreached Photo and Data App allows users to report the name, location, and gospel exposure of unreached people groups. The app is compatible with camera and GPS capabilities, making it an ideal way for missionaries and travelers to share information from remote parts of the globe (20.2 MB)

[VOKE](#) (free) Sharing media should provide a powerful way to start spiritual conversations . The problem? You share a link with your friends and that ends it. # Prayer Apps

[31 Days - Iran](#) God is doing amazing things in the hearts and lives of Iranians. Use 31 Days - Iran as your month long guide to pray for the people of Iran, and the work that God is doing. 31 Days - Iran provides you with a daily notification to your phone or tablet with a specific prayer request for Iran and its people. Beyond the prayer request you will find stories and photos that tell of Iranian lives changed by the Good News of Jesus Christ! (8.2 MB)

[Ceaseless Prayer](#) Experience the joy of praying for others and see God at work. Ceaseless helps you pray for all the relationships in your life by showing you a Scripture and three contacts to pray for each day (24.4 MB)

[Echo Prayer](#) We believe that prayer is a powerful and effective way for us to connect with God. If you're anything like us, the biggest obstacles that keep you from praying are difficulty organizing or keeping a list of your prayers, and then actually remembering to pray for those things when life gets busy. Echo was created to solve these problems, and to give you space to engage with your Creator. (22.8 MB)

[IMB Pray](#) (free) With the IMB Pray app you will be just a tap away from knowing how best to pray for unreached peoples and places around the world. Download it today and know that your prayers are strategic in nature and considered high priority by field missionaries. Audio, video, and written content will be monitored daily and updated to provide you with timely information (7.6 MB)

[Operation World](#) (free) Want to join the global prayer movement? Operation World (OW), the definitive global prayer handbook, has been used by millions of Christians to pray for the nations. Now, with the mobile app, you can receive reminders to pray for the “country of the day,” discover information about every nation and engage with the praise reports and more in-depth prayer requests given for each country of the world.

[PrayBuzz](#) (free) This is essentially a private prayer journal with social networking characteristics. It allows you to define multiple networks (e.g. self, family, team, supporters, etc.) and then choose which of these networks you want to share individual prayer requests with. For maximum benefit, of course, those in your network will need to also be using PrayBuzz in order to see your requests, and to share their requests with you. However, even as personal prayer journal without the use of the social features, it is a good app. You can also indicate prayers as being answered, which promotes giving thanks to God for how we see Him working. Those without a smartphone can use the service through the [PrayBuzz website](#) (*Do note that the app has not been updated in several years, though it is still fully functional*) (7.9 MB)

[PrayerMate](#) (free) Organise your prayer life with this straightforward and distraction-free app.

[Unreached of the Day](#) (free) presents a photo, map, basic statistics, profile text and prayer items for a different unreached people group each day. Browse by country, people name or date. Expand your vision and passion for unreached peoples. Develop a heart to take the Good News of Jesus Christ to some of the least-reached peoples in the world (73.2 MB)

[VOM Pray Today](#) (free) What can we do about Christian persecution? The first thing we can do is pray. It might be intimidating to know where to begin, but the VOM prayer app will get you started. The Voice of the Martyrs' Pray Today app provides specific prayers for your brothers and sisters facing persecution for their faith in the world's most difficult places. Sample prayers include asking the Lord to strengthen Christian leaders who are under pressure and that the Lord will open doors to evangelize in areas hostile to the gospel (34.2 MB)

[YKC](#) YKC (Your Kingdom Come) exists to mobilize prayers for kingdom breakthroughs. It will empower thousands to intercede for disciple makers to find Persons of Peace among least reached people groups and start movements through them (32 MB)
